Recipes for Repair Resellers Program

About the Book

- Features a foreword by Dr. Singleton, author of The Lyme Disease Solution, and a detailed explanation of Dr. Singleton's four-phase anti-inflammation diet, including how to incorporate it into your life.
- Contains over 150 all-natural, whole foods recipes and over 55 beautiful, full-color photographs.
- Includes practical preparation and equipment tips and money-saving suggestions, and defines the beneficial characteristics of many foods.
- Includes recipes appropriate for vegetarian, glutenfree, dairy- free, egg-free and/or low sugar diets, labeled with icons for quick identification.
- Is an indispensable tool for anyone who wants to adopt a more healthy way of eating.

Highly recommend this book for anyone looking to add healthy, natural ingredients to their diet. I've made at least a dozen recipes out of this cookbook, and have been thrilled with the results on all of them.

"This book not only covers the important information that everyone should have on inflammation and how food impacts your health. Kudos for creating so many wonderful recipes using simple, nourishing ingredients."

> – Kelly Lang, Certified Health Coach
